The story takes place 100 years after the events of Dragon Quest III: Absence of Justice. In this time, monsters have been unleashed and the people of the world are being forced to live in fear of the monsters. Only the few who can discover and stop these monsters can stand against these monsters. The most famous of the heroes of the past, Emma, will try to restore order in the world. Players will be able to choose from a whopping seven different party members.
