I want to make the 2 fields in the middle look more wide than the fields outside (so instead of having only 2, I want 3, and I want to be spaced accordingly). I tried playing around with my code but I am not sure how to make the fields look more wide and similar to this. Do I need to make some CSS fixes? I found a solution to my problem, but I was wondering if there was a better way to do this: Entry
