FIFA players can lead more dynamic and expressive soccer journeys with new “creations” like the FIFA World Cup Player. FIFA World Cup Gameplay The FIFA World Cup adds more gameplay and expanded fantasy elements as players fight for and succeed in the World Cup tournament. The entire experience of competing in a World Cup-themed tournament as well as competing in official games will be fully available in-game. Set in four separate modes, all of which can be played online (with a variety of game types), the FIFA World Cup Mode will be included in FIFA Ultimate Team, where players will be able to work their way up to unlocking the FIFA World Cup winner. The game also features “Matchday” with new game modes that allow players to jump into a variety of online competitions with friends. The full fantasy experience will also be available in FIFA 21, with players able to earn and trade cards to create personalized teams. Players’ Champions series will also feature new “championships” with the first title set in the FIFA World Cup. Players will be able to participate in a FIFA World Cup Tournament, and play in real-world World Cup venues such as France, Brazil and Germany. As a part of FIFA World Cup mode, the FIFA Ultimate Team World Cup Edition will include all of the content included in the FIFA World Cup. As players complete the FIFA World Cup, they will unlock additional content based on their World Cup performance. 2018 FIFA World Cup: All-Star Game The FIFA World Cup All-Stars will welcome many of the most popular and talented soccer stars in the world. The tournament will include a number of experienced stars as well as some of the best young players in the world. The tournament will take place in Brazil, and the All-Star game will be played at the iconic Maracana Stadium, one of the most famous venues in the world and the site of the FIFA World Cup final in 1970 and 2014. FIFA World Cup All-Stars will take place in three distinct phases: MATCHES : Players will be sorted into four groups of four players. : Players will be sorted into four groups of four players. SEASON : Players will compete head-to-head in matches played in FIFA Ultimate Team Leagues and FIFA 11 Leagues. : Players will compete head-to-head in matches played in FIFA Ultimate Team

FIFA LIVE FIFA Live is a new feature in FIFA that offers a variety of new ways to play, compete and interact with millions of other players online. This revolutionary social feature allows you to not only interact with other players while playing online, but also to share your online gameplay with friends as well as the FUT community in real-time. The game will also feature cross-platform

play between PC, Xbox One and the Nintendo Switch. **MY PLAYER** In this latest FIFA, My Player is upgraded so you can now have ultimate control over your player's evolution in the game. Create a player and customize him from head-to-toe, from his training regimen, his personality, and his style of play. Equip him with over 1,000 different kits, shirts and cleats, and then head out onto the pitch to take the winning shot with your hard-earned style. The new Player Traits system will guide your player's progress as you equip him with over 60 different dynamic traits that represent all of the attributes necessary for a complete soccer player, like stamina, aggression, toughness and speed. As you equip your player with new traits, he will develop additional skills that you can call upon as needed. At any moment, you can switch your player into Scramble mode and get creative with the Traits you equip him with. For example, if he has speed traits, you can attempt to run past your opponent. Or if he has accuracy traits, try to put the ball in the back of the net! It's all up to you!

PITCH The FIFA pitch is noticeably bigger and more immersive than before. Each of the 32,500 square

What's new in Fifa 22:

- **FIFA in the Azteca:**
 - **OUTDOORS MATCH**
 - **AI EGO DEFENSE: How an intelligent central defender interprets the right way to read the whole game is much more than just fitting into the system. Any kind of erroneous positioning is now fatal. Typical dribbler, wrong sizes, wrong crowd control, deep passes with low accuracy, frustratingly deep passes.**
 - **AI CONCUSSION: A more intelligent collision processing algorithm lets AI defenders think more about incoming ball pressure, providing natural 100% protection.**
 - **TOUCH PAD TACK**
 - **NEW PLAYER SESSION MAKING GAMEPLAY A LITTLE EASIER**
 - **THOUGHT IT NOT A LITTLE MORE INHIBITIVE**
 - **NEW COMPETITION MODES**

STUFF

- **NEW WAY TO INTERACT WITH GUIDE**
- **UBIQUITY TESTS**
- **PRO LEAGUE PARTY FIFA 20**

Powered by Football™ and FIFA Sessions, this year's FIFA is the deepest, truest-to-life, most authentic football game yet in the franchise. Every aspect of football - from journeyman players to the world's greatest players - has been painstakingly recreated and brought to life in FIFA 22. The Journey to Glory Player and manager ratings are being revised to reflect the incredible depth of FIFA 22, so you'll get a true-to-life reflection of what's important in the modern game. The ultimate league will be more realistic and your clubs will evolve across all of your career modes. FIFA 22 goes beyond featuring the world's greatest players. For the first time you'll have the power to create your own custom made players, allowing you to create your ultimate team using the top-rated rookies, wildcard picks and re-designed, all-new player attributes. FIFA Sessions The continued addition of movement systems and tackling to boost gameplay complements a host of

tactics that elevate all-new passing to sublime levels. The improved RealMatch engine gives you the speed, flexibility and tactical freedom to enact your on-pitch style of play in real-time competitions. Developed by our global game development team in close collaboration with our partners at EA Sports, FIFA 22 is a true reflection of the modern game, driven by our passion for the sport. The key to FIFA 22 is the journey to glory, which we think you'll agree is unmatched. A New Season of Innovation We've taken one of the biggest innovations in the game and amplified it into a game-changing feature which we're confident will redefine the way that football's played in the future. Most importantly, the ball will be smarter, the player will be smarter and the competition will be deeper, more strategic and more interactive. To put it simply, you'll be the hero. In FIFA 22 we've enabled the players to really take ownership of the ball by introducing the first level of player intelligence. Get accustomed to the ball naturally moving around the pitch on its own and responding to every tackle. Players will stop attacking or standing still when the opposition is on top of them. More Than Ever All-new deep level-of-play interaction, such as a redesigned card system, new AI manager
